Respect

Dear Parents

I hope you have all had the opportunity to look at the new website. I am updating the website on a regular basis regarding school news. The class pages are currently being worked on—you will find the curriculum overview for this term's learning here. KS1 will also have their home learning grids on their class pages. Do remember these are only some suggestions of what you could do at home with your child. Do look at the websites attached for further activities.

KS2 children will have their homework sent home on a weekly basis as appropriate.

The mobile app is now up and working. We have had 50 subscribers to our mobile app. If you have a smart phone do download the app as this is the most effective way to receive up to date information. If you need help doing this, please ask myself or Mrs Steer who will be able to assist you with this.

I will be holding the first 'Tea and Talk' session on Wednesday 15th March. This will take place in the school hall.

I will be explaining the national Curriculum and discussing the key changes. You will be able to ask questions

The session will work in two parts, the National Curriculum will be a more formal session, followed by an informal chat. Where you will be able to ask questions about the school and offer your ideas for school improvements, over a cup of tea! However, this is not the time for you to ask questions regarding your individual child, if you do have questions regarding your child please make an appointment with the class teacher. We do have parents consultation meetings coming up soon.

We have made several changes to lunch-times since the children have returned to school, these changes have been very successful and the children seem much happier and more engaged during lunch-times.

Mr Peters will be joining us from Monday and will be working with all classes to provide high quality P.E. he will also be working with children across the school during lunch-times to develop and enhance the sports provision during lunch-times.

The 'your choice' lunch menu will start from Monday 6th March if your child's menu has not been returned by Monday then they will be given a jacket potato for that day's lunch. We are hoping this will make a big difference to the lunches that the children are provided with.

The menu for week beginning **13th March** has now been sent home please ensure this is returned to school by **Wednesday 8th March** with your child's choices.

The slush continues to be very popular, however it is impacting on the office in the morning. If you would like to order slush for more than one day then you can do this. Please do put the money into an envelope ensuring your child's name is clearly written on the front and the days and flavour you would like them to have.

Best Wishes

Michelle Cox

 Hurstwood Isabella Springer
 Kemsley Olivia Grant
 Oakwood Oliver Stevens

Well done to Oakwood class for their class led worship this week, we have decided to carry on with this system for this term as it was very popular with both the children and parents. Do feel free to join us for these.

Great fun was had by all during our pancake races—do have a look at the website for the photographs! Thank you to all the parents for providing their children with a pancake and frying pan. I'm not sure how many pancakes made it back home!

As we are nearing the end of the school financial year. Please make sure all outstanding monies owed are paid by **Friday 17th March**

Mother's Day Lunch

Mums/Grandmothers and Aunties. You are invited to join your child for a Mother's Day lunch week beginning 20th—24th March.

You can attend any day during the week, a Menu will be sent home on Monday for you to choose a day. The cost of the meal will be £3.20.

Please return the form and monies by **Friday 10th March.**
