Dear Parents

Well another week has flown by and in two weeks we will be heading towards the Easter break. I'm really not sure where the time has gone!

Well done to the year 6 lacrosse team, for a great result in coming 4th overall in the competition on Monday. Miss Meade said each child's behaviour was exemplary and they were a real credit to the school.

Hopefully you have now all received a letter regarding parents evening. If you haven't please look on the school website or ask at the office for a copy. Please ensure these are returned to the class teacher in order for them to book your appointment time.

The excellent learning is continuing across the school this week with Fir Tree learning about arrays in maths and using this information in their pattern work.

Forge class have been busy writing imaginative stories about the journeys of the Snail and the Whale.

Hurstwood class have been writing their own versions of the story 'Stone Age Boy'. I look forward to reading them.

In Kemsley class the children have been calculating the area and perimeter of compound shapes and all have really understood this concept.

Oakwood class have been finding out about the features of non-chronological reports in preparation for writing their own.

Thank you to those of you who came to the Tea + Talk session held on Wednesday afternoon. The powerpoint from this session is now on the school website under the 'Parents' section so if you were unable to attend you can still access the information.

The informal session afterwards was really useful with lots of parents asking questions regarding the curriculum changes.

As the weather has now changed and we have the sunshine and beautiful light mornings, the children will be going onto the field at break and lunch times. However, I do need to warn you that it isn't completely dry so the children may come home a little muddy!

The new method of sending home the menus is proving to be very inefficient and time consuming, with menus going missing or not returned on time. We will still have the 'your choice' options but the children will inform the teacher of their dinner choice each morning and this will be ordered each day. You will be sent home the coloured Chartwells menu so that you can see and talk to your child about their choices. We hope this way every child that is in school will get their choice and not be left with a jacket potato.

Best Wishes

Michelle Cox

COMIC RELIEF

Friday 24th March will be a tag day in aid of Comic Relief. Children can come to school in anything RED for a £1 donation towards charity.

Mother's Day Gift sale is on Friday 24th March during the school day.

Children are invited to buy gifts for Mum, grandmothers, aunts or special women. Gifts start from £1.00 ranging to £2.50, maximum gift buy is 3 items per child. Children must bring money in a named purse or wallet along with their own gift bags to take them home. Siblings will shop together to avoid duplicate present buying. At the end of the school day parents are welcome to come along to the gift sale to purchase Mother's Day gifts for their special person.

Mother Day lunches

If you have booked a meal for Mother's Day next week please ensure you are at school by 12.30p.m. The start of lunchtime.
