Dear Parents

We have certainly had a busy week this week!

The production of The Lion, The Witch and The Wardrobe was a huge success; all the children absolutely loved it. The theatre company were very skilled and professional.

The key stage 2 children had a workshop session after the production, to enable them to understand the mechanisms of stage craft.

The spring afternoon was also a great success with the children enjoying the craft activities. Thank you to all the parents, grandparents and younger siblings who were able to join us during the afternoon.

Next Tuesday there will be a FOBs meeting to discuss May Day; this will take place after school at 3.45p.m. Please do feel free to join us.

The children have all started their new topics with great enthusiasm. The writing from Fir Tree Class has been phenomenal, with children forming letters accurately and several of them now writing in full sentences. They are enjoying finding out facts about their dinosaurs, the children decided they would rather learn about dinosaurs than volcanoes as stated in last week's newsletter.

Forge Class are planning on designing and making kites to go with their 'Flat Stanley' topic—they are all very excited by this prospect!

In Hurstwood Class the children have been looking at Dragons, and drawing and describing their own dragons—some of their art work is incredible to see!

Kemsley Class have been looking at 'Pandora's Box' and finding out more about life in Ancient Greece. Several children had spent hours over the holiday researching and preparing for the new topic—well done to those children.

Oakwood Class continue to build up towards their SATs week, so their learning is being tailored on a daily basis to meet their learning needs and to ensure they are as prepared as possible for the upcoming tests. Thank you to all the parents who attended the SATs meeting on Wednesday evening— the information has been sent home to those parents who were unable to make the meeting. This information will also be on the school website.

Learn with Us

We are still waiting for the results from the Orchard Run as the start time was changed at the last minute—we will let you know how the children fared!

Best Wishes

Michelle Cox
