Dear Parents,

It has certainly been a hot week, I am pleased to say the children have struggled through and have managed to do their best to keep themselves cool in this mini-heat wave.

Do remember to ensure the children have applied sun cream before school and have plenty of drink, they will be able to fill their drink bottles during the day. They may have named sun cream in their bag to reapply during the school day, however they need to be able to apply this themselves and will not be able to share with other pupils.

Rest assured we are doing our utmost to ensure the classrooms and the children are kept as cool as possible in these conditions.

This week Fir Tree have been learning more about the Queen and have been using ICT to design carriages and castles for the Queen. The children wrote to the Queen wishing her a Happy Birthday and today they received a reply from her with the official Queens stamp and lots of information about her Jewels and her working day.

Forge Class have enjoyed their new book 'The Queen and Mr Brown'.

Hurstwood have been writing potion poems in their work from George's Marvellous Medicine.

Kemsley class had a super time on Monday in their trip to Kent Life and have come back full of enthusiasm for their Greek topic.

Oakwood class showed parents their act of worship this week, which was very thoughtful and well presented. They all thoroughly enjoyed the Safety in Action event on Thursday and have been learning important skills in keeping themselves safe.

A group of pupils were selected to represent the school in athletics and we eagerly await the results!

The 'Clipping the Church' event was a huge success, with every child and several parents joining in this ancient tradition of embracing the church and school. Thank you to Rev Pam Alexander and Mrs Wainwright for organising this event.

A letter went out at the beginning of the week regarding transition and class structures for September, the children will all be working in their new classes on the morning of 6th July.

Do remember the school will be closed on Friday 30th June due to a lieu day for May Day.

The next few weeks in school are always action packed, so do ensure that you keep an eye on the website calendar and web app for any new events or updates to existing ones! We do try not to make last minute changes however, at times it is impossible to avoid this.

Best Wishes

*Michelle Cox*
