Dear Parents,

Welcome to this weeks newsletter. I'm not sure what has happened to the sunshine this week, let's hope it hurries up and returns! We have had a relatively calm week this week, which is what was needed before the hustle and bustle of the end of term is upon us.

The children have all continued with their normal learning timetable this week.

Fir Tree class have been learning about the value of coins and painting pictures of the Queen.

Forge class have been learning about food chains, predators and prey in science.

Hurstwood class have been creating magic potions to help George's Grandma in English.

In Kemsley class the children have just finished writing the most amazing minotaur poems.

Oakwood class have been designing and creating their own super hero's!

Some classes have missed swimming sessions, rest assured we will endeavour to make these missed sessions up.

We are currently reviewing our head injuries letters and recording procedures to ensure that we are following all advice from professionals regarding how to manage head injuries in children.

We are also currently reviewing our procedures regarding parent/family members transporting children to off-site school based events. Part of the new procedures will involve all volunteer drivers undergoing a DBS to ensure children are as safeguarded as possible. We would like to be able to lease or purchase a mini-bus which would mean that transporting the children will be a much easier task. If anyone knows of a company or an individual who may be interested in sponsoring or supporting us with this please ask them to come and find Mrs Steer or myself, we know it's a long shot but you never know who may be interested if you don't ask!

Year 6 have their bikeability next week, starting on Monday, we were fortunate that the Bikeability team could accommodate all the children.

The children will all be meeting their teachers for next academic year on Thursday 6th July and most of our year 6's will be going to their new secondary schools for the day—we will also be welcoming all new year R children on that morning.

Best Wishes

Michelle Cox

Head Teacher
