Dear Parents,

Well another week has flown by and we are now well into the Autumn Term.

The children are continuing to make the most of the nice weather by playing on the field at lunch-times as you have seen by the mud on their uniforms! We are currently still using the pool for our swimming sessions and we will notify you when these will come to an end.

The new Reception children have settled in well and some even joined us in celebration worship last Friday!

The children were all thrilled to have met Ben Smith who ran 401 Marathons in 401 days to support 'child bullying'. Ben Smith presented three pupils with medals, who had raised the most money during fundraising. The money the pupils raised went towards the school and charities supported by the youth sports trust. The money at school went towards more resources for the playground to make playtimes more active and even more fun. Do look on the website for the pictures of some of the children with him.

The donation of food for the Harvest Celebration was overwhelming, thank you for your generosity, the food parcels will make a difference to people in the local community. The children all spoke very clearly and with confidence, they really made me think about the food we eat and where it originates from, and about equality!

Fir Tree class have continued with their super-kids topic and have been describing characteristics of super heroes .

In Forge class the children have embarked upon the journey with Mr Gumpy and his animals.

Hurstwood class enjoyed a very practical science lesson about the digestive system, involving tights and vinegar!

Kemsley class have produced some sensational pieces of writing describing a monster, their vocabulary and sentence structure were incredible!

Oakwood class have been experiencing some very challenging mathematics involving the development of their reasoning skills—some of the work really made for interesting mathematical discussions between the children.

We are looking forward to Pumpkin Day on Saturday 14th October, don't forget FOBS are looking for any donations of soft toys, bric a brac and tombola items—please hand these into the school office.

We eagerly anticipate Bredhurst School's first firework display, which will take place on Friday 10th November it will be hosted and organised by 'Frontiers Fireworks' we hope this to be a great success and something for all the children and their families to enjoy. We are sending out flyers to local residents, if you do know someone in the local community who has pets please could you remind them of the date of the event and to keep their pets indoors.

We will soon be holding a 'Phil the Bag' day, where you can have a clear out of any unwanted textiles and clothes, which will then be converted into money for the school. A letter will be sent out soon with more information, so delay your clothing clear out before the winter season begins!

Michelle Cox
Head Teacher

All children will be having their individual and family photo taken on **Friday 13th October**. If you have a pre-school child and would like them to be included please wait outside the office at 9.15a.m. and give your name to Mrs Sage who will ensure you will be front of the queue

Next Thursday 5th October our school caterers have decided on a 'Special Meal Day' the theme is **AMERICA!**

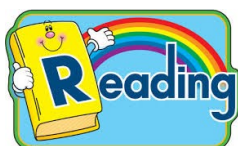

All children can choose from :-

Hot Dog, Mac n Cheese or Jacket Potato, with Potato wedges, American Coleslaw or BBQ beans followed by Chocolate Brownie and Ice Cream or Fresh Fruit. All for £2.25.

If your children are attending an after school sports club they may bring their own sports wear into school for this club, which may stop them from forgetting to return their PE kits!

We are looking for any mums, dads, aunties, uncles or grandparents that have any spare time to come into school to hear children read. You will need to undergo a DBS check. Please see Mrs Sage to arrange this.

This week the children have been discussing one of our British Values.

All children should treat each other with respect and understand that their behaviour has an effect on others.

Our Celebration Act of Worship will be held on Monday 2nd October.

All welcome.
