Dear Parents,

What a hot week it has been!

The forecast for next week is for the temperatures to be just as high as this weeks so please do ensure your child is sent in with a drink, sun hat and is wearing sun cream.

Across the school the children have been busy with their learning this week:

Fir Tree class have been learning about money and writing diaries.

In Forge class the children have been busy painting and designing.

Hurstwood class have been working in groups to create posters about the rainforest. They have lots of knowledge about the topic! In Kemsley class the children have been busy honing their orienteering skills, and using maps to find their ways to hidden objects. Oakwood class have been busy making and painting their Dragon's Eggs!

The school will be a very busy place for the coming three weeks; with trips, transition days, our new Reception children visiting us, thank you tea party and sports week!

The children will all need to have their PE kits in school for the week beginning 9th July as they will all be participating in a variety of sporting events within school.

All classes will be learning about relationships this term, this includes naming body parts for Forge children and understanding healthy loving relationships for our junior children. If you would like to know more regarding the content of our relationships education, please contact the class teacher who will be able to provide you with more information.

Thank you to the parents who attended 'the changes to Key Stage 2 meeting' on Wednesday 27th June and for embracing the changes we are to be implementing in September. For those who were unable to attend the powerpoint is on the parent section of the school website, which will explain the rationale behind the changes and explain the changes in more detail. A list of which class the children will be in for September will be sent out with their end of year report which we aim to send out on 12th July.

We will be having a whole day of transition when our children will experience where they will be in September, which will also allow us to explain the changes to the children and for us to ensure the children are within friendship groups for the afternoon learning.

Our school website has photographs of the different events that have taken place over the past few weeks—don't forget to have a look—the gallery is also available on the Bredhurst app.

Do keep an eye on the dates as we do have a very busy three weeks ahead of us!

Have a lovely weekend,

Best Wishes

Michelle Cox

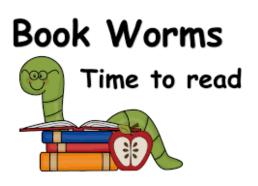

Head Teacher

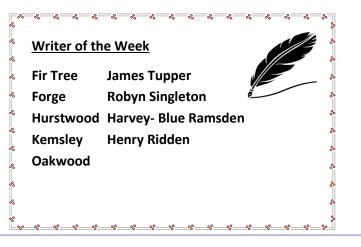

Transition day for all children Thursday 5th July. Children will spend the day in their new class
