Dear Parents and Carers,

This week started with the results from Bredhurst has Got Talent, carried over from the competition on Friday. We were all so impressed by the talent we have in school. Violet sang a lovely song from The Little Mermaid, dressed in her mermaid outfit, we had a super gymnastics performance by Violet Dunn, Maya was sensational on her flute, Lily Rose's violin playing was very impressive and James Sheridan astounded us all with his magic tricks. Well done to all the children who took part.

Our winners were:

3rd place: Luke Wallace, Mikel Sage and Luca Suvari with their tik tok dance routine

2nd place: Bella Thompson singing 'It's a Hard Knock Life; from Annie

1st place: Franca Bailie and her puppet with a singing ventriloquist act

The three winners performed their acts this morning during Celebration Worship. We certainly had a lot of parents join us for the morning. Most of the children were dressed in red to celebrate Red Nose Day raising £100 for the worthy charity.

On Tuesday afternoon and evening, Mrs Carey accompanied the choir to The Central Theatre in Chatham, where they participated in the Medway Music Association KS2 Festival, along with other local schools. The children performed 12 songs on stage and sang incredibly beautifully. They were a credit to our school with their behaviour, and the effort they gave to the performance. Mrs Carey said she was immensely proud of them all.

Last week, the children in year 6 also gave their May King and Queen speeches. Their speeches were thoughtful and several of them really thought about what May Day, the role of May King and Queen, and the school meant to them. I am delighted to be able to announce that our May King 2024 is Mikel Sage and our May Queen 2024 is Holly Holder. Both children are thoroughly deserving of the role always showing the school values. We are certain they will do an excellent job in representing Bredhurst School; continuing to show the SPIRIT in all they do. We know those who were unsuccessful in gaining this role were disappointed, but it was lovely to see that despite their own disappointment they could still be pleased for and congratulate their friends.

We do seem to have lots of very nasty bugs going around at the moment. We have had scarlet fever and chicken pox in the infant classrooms and an awful hacking cough with a sore throat in the junior part of the school, as well as the odd bout of sickness! We do keep reminding the children about and encouraging hand washing, but it seems that the bugs are making their way across the school nonetheless. If your child is off with an illness please make sure that you call the **school office before 9.15** to let us know why your child is not in. **If your child's attendance is lower than 90%, we may be asking for evidence of their illness.** This is in line with our attendance policy and follows guidance from KCC. We have a regular attendance officer in school who monitors pupils attendance and will ask for evidence of absence.

Well done to Mia Jones, who travelled to Manchester for her first National Gymnastics competition and came away with a 3rd place medal. What a great result. If your child takes part in clubs outside school and receive a trophy, medal or certificate they may bring them in on a Monday or a Friday morning to share with the rest of the school in worship. We love to find out what they have been up to outside of school.

Thank you for the very supportive comments regarding our recent Ofsted report. We were delighted to have received the outstanding judgement in the two areas we did and felt the report was incredibly positive and reflected our lovely school. I was overwhelmed by the lovely comments and support this week. It means so much.

Have a great weekend,

Michelle Cox
